

International Journal of Environmental Science and Development

CONTENTS

Volume 4, Number 6, December 2013

- A Parametric Study on the Production of Bio Fuels from Rapeseed Oil.....613
M. Shahbaz, M. A. Rasheed, M. S. Tahir, M. A. Ahmed, and Adeel Ikram
- Simultaneous Organic Solids Disintegration and Fermentative Hydrogen Production by Pretreated Sludge Generated from Wastewater Treatment Plant.....617
Mijung Kim, Sechang Oh, Randeep Rakwal, Chunguang Liu, and Zhenya Zhang
- Systematic Innovation Based Design of Energy Efficient House Cooling System.....624
Song-Kyoo Kim
- Study of Heavily Adhesive Cs in Soil Environment.....628
K. Sato and K. Numata
- Self- Assembly of Saponite Nanoparticles Influenced by Interlayer H₂O Molecules.....633
K. Numata and K. Sato
- Energy-Saving Effect of a Hybrid Air-Conditioning System Using Natural Ventilation in an Office Building637
Tomoya Sakamoto and Yasuyuki Shiraishi
- Characteristics of Indoor Lighting Environment Using Daylight with a Light Shelf.....643
Hideaki Kido and Yasuyuki Shiraishi
- Interrelationship between Indian Ocean Dipole (IOD) and Australian Tropical Cyclones.....647
Kamal Kumar Saha and Saleh A. Wasimi
- The Propagation of Probabilistic and Possibilistic Uncertainty in a Life Cycle Assessment: A Case Study of a Naphtha Cracking Plant in Taiwan.....652
Kevin Fong-Rey Liu, Si-Yu Chiu, Ming-Jui Hung, and Jong-Yih Kuo
- Drying of Limes in Oman Using Solar Tunnel Dryers.....658
M. A. Basunia, H. H. Al-Handali, and M. I. Al-Balushi
- Developmental Mode for Circular Economy in the Yellow River Delta.....662
Zhang Xu-Liang, Zhang Zhao-Hui, Xu Zong-Jun, Yao Hai-Yan, Zheng Ke-Fang
- Extraction Bio-Fuel from a Second Generation Energy Crop, Pennisetum Purpureum K. Schumach and Its Future Prospects in Bangladesh.....668
Shifur Rahman Shakil, Md. Anamul Hoque, Nirjhor Tahmidur Rouf, Partha Chakraborty, and Md. Safwat Hossain
- Carbon Dioxide Emission Analysis of Chilled Water Production by Using Gas Turbine Exhaust Heat.....672
Adzueen Nordin and Mohd Amin Abd Majid

Potential Energy Resources from Dipterocarp Leaf Litter and the Potential in Air Pollution Reduction in Mae Hong Son Province, Thailand.....	676
<i>N. Phobdhamjarengjai, S. Chairuangsrri, B. Ratanasthien, and S. Chantara</i>	
Integration of Solar and Wind Power to a Borneo-Wide Power Grid.....	681
<i>Salim S. Maaji, Duaa Fatima S. Khan, Manas K. Haldar, Mujahid Tabassum, and Prashobh Karunakaran</i>
